Superintendent Jermaine Sapp stated that as a result of City Council's strategic goals aimed at guiding Lancaster's future growth and development a plan to design and build a new Fleet Maintenance Facility was established. The existing Fleet Maintenance facility has been in service since the early fifties and has since experienced deterioration and has shown signs of exceeding its life expectancy. The project will include the construction of a new 10,000 to 12,000 SF Fleet Maintenance Building. Quorum Architects, Inc., was selected through the procurement process to provide the architectural services for this project and have submitted a proposal to provide architectural services, project specifications and construction administration services in the amount of \$331,500.00.

Councilmember Mejia asked if there were any other options besides constructing a new building. City Manager Mauldin-Robertson stated that there were no other properties available in the areas in which the fleet maintenance building would need to be because of the proximity to the city's fuel farm. The cost of relocated the fuel farm would far exceed the cost of a new construction. Councilmember Mejia stated that he felt the price presented for just management was too steep for his liking and he would like to visit other options.

Deputy Mayor Pro Tem Harris stated she agreed the price was high and inquired about the selection process. City Manager Mauldin-Robertson stated that is was an RFP process in which 7 proposals were made and the top 3 were interviewed by a staff panel. Quorum was selected because of their experience with municipalities and the cost efficiency.

MOTION: Councilmember Mejia made a motion, seconded by Deputy Mayor Pro Tem Harris, to table this item for further discussion. The vote was cast 2 for, 5 against [Strain-Burk, Jaglowski, Daniels, Morris, Knight].

Item 4

Consider a resolution ordering a General Election to be held on Saturday, May 9, 2015 for the election of a mayor at-large; providing for the publication and posting of notice; and providing for early voting dates, times and locations.

This request supports the City Council 2014-2015 Policy Agenda.

Goal: Civic Engagement

Background

The municipal General Election for City officers this year is the mayoral position, an at-large position. The designated uniform Election Day is Saturday, May 9, 2015.

Considerations

- **Operational** - To conduct the election, Lancaster will participate in a joint election with other governing entities in Dallas County administered by Dallas County Elections. Participating in a joint election with other cities and school districts greatly reduces election costs for all participants. The joint election agreement is a companion item to this agenda item.

Early voting will be held at the Lancaster Veterans Memorial Library. This location best serves the election process by offering sufficient space for the voters, easy entry/exit from the room (without entering the Library itself) and offers the necessary technology access for use by Dallas County Elections personnel. This location is familiar to our voters and has consistently been used in recent elections for early voting as well as for Election Day voting. The Library is one of about thirty-five early voting locations designated by Dallas County. During early voting, registered voters may vote at any Dallas County early voting polling location.

There will be three polling locations for Lancaster citizens on Election Day: Lancaster Veterans Memorial Library, Lancaster Elsie Robertson Middle School and Wilmer Community Center. Voters must vote by precinct on Election Day.

- **Legal** – The City Attorney has reviewed the resolution ordering the election. The statutory last day for City Council to order the election is February 27, 2015.

Pursuant to state and federal laws, the resolution (Election Order) is provided in English and Spanish. In addition, the caption on the City's agenda for this meeting for both the election order and the joint election agreement is in English and Spanish.

The 82nd Texas Legislature revised the requirements for notice of early voting locations contained in the election order. Now election law only requires the main early voting location to be listed in the election order. The main early voting location (Dallas County Records Building) and the Lancaster early voting location (Veterans Memorial Library) are included in the election order.

- **Financial** – The City's cost will depend on the number of entities contracting with Dallas County for election services. There will be further details regarding estimated election costs in the agenda item on the joint election agreement. If a run-off election is required, the City will incur additional costs.
- **Public Information** – All requirements for the posting and publishing of the election order will be completed as outlined in the election order.

Recommendation

Staff recommends approval of the resolution as presented ordering the General Election for municipal officers on Saturday, May 9, 2015.

Agenda Communication

February 23, 2015

Item 5

Consider a resolution approving the terms and conditions of a Joint Election Contract and Election Services Agreement with Dallas County Elections to conduct a municipal General Election for the election of a mayor at-large to be held on Saturday, May 9, 2015.

This request supports the City Council 2014-2015 Policy Agenda.

Goal: Financially Sound City Government

Background

On May 9, 2015, the City will conduct a municipal General Election to elect a mayor at-large.

Considerations

- **Operational** – Dallas County Elections has the staff, equipment, and expertise to efficiently conduct elections. Participating with other municipalities and school districts helps defray the cost of the election and streamlines the voting process for residents.
- **Legal** – The election services agreement is attached. At this writing, the finalized agreement is not available. The City Attorney has reviewed and approved the resolution as to form.
- **Financial** – Dallas County Elections has indicated the estimated cost for the City's share of this year's election is \$5,816.66. The City's final cost depends on how many entities contract with Dallas County for election services. Recent general municipal election costs are outlined below.

May 2014 \$8,340.52

May 2013 \$14,520 (higher than anticipated cost due to withdrawal of County wide portion by Dallas County Schools)

May 2012 \$9,428

May 2011 \$7,406 (does not include June run-off election cost of \$4,312)

May 2010 \$9,069

Estimated costs for the City's election are calculated by Dallas County Elections based on various factors including shared polling locations and total number of governing entities that participate in the election. If a run-off election is required, the City will incur additional costs.

- **Public Information** - There are no public information requirements for this matter.

Options/Alternatives

1. City Council may approve the resolution as presented.
2. City Council may deny the resolution and direct staff.

The Elections Administrator will amend "Attachment A" to reflect the changing estimates of election expenses that are caused by changing circumstances and by the withdrawal of Participating Political Subdivision(s), if any, from this Election Services Contract.

4) VOTING SYSTEMS

- a) Each Participating Political Subdivision agrees that, during this Joint Election, voters will cast their ballots on three different kinds of voting systems, each of which has been approved by the Texas Secretary of State in accordance with the Texas Election Code and the Texas Administrative Code: Direct Recording Electronic voting machines ("DRE"); an optical scanner voting system ("optical scan"); and a voting system accessible to voters with physical disabilities ("ADA Terminals"). On April 21, 2015 at 10:00 A.M., at the County Elections Department at 2377 N. Stemmons Frwy, Suite 820, Dallas, Texas, the Elections Administrator will test the DRE voting system and the automatic tabulating equipment used for counting ballots at the central counting station. On March 30, 2015 at 10:00 A.M. at the County Election Equipment Warehouse at 1506 East Langdon Road, Hutchins, Texas, the Elections Administrator will test the optical scan voting system. At least 48 hours before the date and hour of each test, the Elections Administrator will publish a newspaper notice with the date, hour, and place of the testing. The Elections Administrator will establish regional collection sites within the county and a central counting station to receive and tabulate the regular ballots that are cast in this Joint Election and receive the provisional ballots.
- b) The Elections Administrator will provide DREs, precinct ballot counters, and voting booths for this Joint Election. Each polling place will have at least one voting terminal that complies with the Americans with Disabilities Act ("ADA"). During the early voting period, each early voting polling place will have master Personal Electronic Ballot ("PEB") devices and iVotronic DRE machines. - c) The itemized list of the estimated election expenses for this Joint Election are in "Attachment A," which includes, but may not be limited to the number of voting booths, precinct ballot counters, precinct tabulators, iVotronics voting machines, Americans with Disability Act ("ADA") Voting Terminals, Gemini voting booths, Personal Electronic Ballots, and Master Personal Electronic Ballots. All of the Participating Political Subdivisions agree that ADA Terminals will be used during this Joint Election under the Help America Vote Act of 2002 ("HAVA") and that the ADA Terminals will be part of this Election Services Contract.

5) POLLING PLACES

- a) The Elections Administrator will select and arrange for the use of and payment for all of the early voting polling places listed in "Attachment B" and the Election Day polling places listed in "Attachment C" subject to the approval of each Participating Political Subdivision. Polling locations identified in Attachments "B" and "C" cannot be changed by a Participating Political Subdivision, but the Elections Administrator may consider changes requested by a Participating Political Subdivision.

- b) Whenever possible, previously used polling places that voters are accustomed to using will be used for the election precincts and partial election precincts in this Joint Election; however, the Participating Political Subdivisions acknowledge that sometimes previously used polling places are not available or appropriate for every election. Accessibility under the Americans with Disabilities Act is an important consideration for all polling places in this Joint Election.
 - c) For polling places that have changed since the most recent election ordered by a Participating Political Subdivision, the Elections Administrator will mail registered voters affected by the changes notice of their new polling place location.
- 6) **PRESIDING ELECTION JUDGES, ALTERNATE PRESIDING ELECTION JUDGES, ELECTION CLERKS, AND OTHER ELECTION DAY PERSONNEL**
- a) The Elections Administrator will be responsible for the appointment of the presiding election judges and alternate election judges listed in "Attachment E" for each polling place listed in "Attachment C" subject to the approval of each Participating Political Subdivision.
 - b) **This sub-paragraph applies only to an election with no partisan candidate on any ballot.** If a Participating Political Subdivision requests that a person not listed in "Attachment E" be appointed to serve in a specific polling place, but another Participating Political Subdivision requests that a different person be appointed to serve that same polling place, then the Elections Administrator will conduct a drawing by lot from the recommendations, no later than March 5, 2015 to resolve the conflict and notify each Participating Political Subdivision affected of the resolution. After the Elections Administrator notifies a person so selected by lot of the polling place where the person will serve, the Elections Administrator is not required to act on further such requests from the Participating Political Subdivisions for that specific polling place.
 - c) If a person appointed as a presiding election judge or alternate election judge becomes ineligible to serve as such in this Joint Election, then the Election Administrator will appoint a replacement presiding election judge or alternate election judge, amend "Attachment E" accordingly, and send each Participating Political Subdivision the amended "Attachment E" by email within five (5) business days.
 - d) If a person is unable or unwilling to serve as a presiding election judge or an alternate election judge, then the Elections Administrator will name a replacement presiding election judge or send each Participating Political Subdivision the amended "Attachment E" by email within five (5) business days.
 - e) The Elections Administrator will provide public county training programs, in keeping with Section 32.114 of the Texas Election Code, for all of the presiding election judges, alternate election judges, and election clerks for this Joint Election. The presiding election judges are responsible for notifying the alternate presiding judge and the election clerks for the presiding election judge's polling place of the time and place of each training session.

- f) To serve in this Joint Election, each presiding election judge and alternate election judge must have attended an election judge training session, a mandatory Voter ID law training session, and optical scan training session taught by the Elections Administrator for this Joint Election within the last 12 months. New judges and election clerks that have not attended a mandatory Voter ID Law training session taught by the Elections Administrator for this Joint Election may not serve in this Joint Election.
- g) The Elections Administrator will notify the Participating Political Entities by email and post on the DCED's website the dates, times, and locations of training classes and labs for both Early Voting and Election Day Workers.
- h) To comply with the Federal Voting Rights Act of 1965, as amended, precincts containing more than 5% Hispanic population, according to the 2010 census statistics, are required to have interpreter assistance. If a presiding election judge of such a precinct is not bilingual and is unable to hire a bilingual election clerk, the Elections Administrator may recommend an individual to provide interpreter assistance. If the Elections Administrator is unable to recommend an individual to provide interpreter assistance for such a precinct, the Elections Administrator will notify the Participating Political Subdivision and request assistance in identifying an interpreter. In the event that a bilingual election clerk is hired by the Elections Administrator for a precinct required to have interpreter assistance, the bilingual clerk will be paid according to a rate set by the Elections Administrator. The Elections Administrator will charge that expense to the funds deposited with the Dallas County Treasurer for the conduct of the elections listed in this Election Services Contract. A Participating Political Subdivision may pay more money to a bilingual clerk than the rate set by the Elections Administrator, however that expense will be borne by that Participating Political Subdivision individually and that extra expense will not be charged to the funds deposited with the Dallas County Treasurer for the conduct of the elections listed in this Election Services Contract.
- i) The Elections Administrator will notify all of the presiding election judges and alternate election judges about the eligibility requirements of Subchapter C of Chapter 32 of Title 3 of the Texas Election Code and Section 271.005 of the Texas Election Code. The Elections Administrator will take the necessary steps to insure that all of the presiding election judges and alternate election judges appointed to serve during this Joint Election are eligible to serve and qualified to serve in this Joint Election. Under Section 32.031 of the Texas Election Code, the presiding election judge for each election precinct shall appoint the election clerks to assist the presiding election judge in the conduct of the election at the polling place served by the presiding election judge on Election Day.

THE REMAINDER OF THIS PAGE IS INTENTIONALLY LEFT BLANK.

- j) The presiding election judges are responsible for picking up election supplies at the time and place determined by the Elections Administrator, which will be set forth in the letter to the presiding election judges requesting service for this election. Payments for the presiding election judge will be specified in "Attachment A."
- k) Any Participating Political Subdivision electing to pay their election workers for attending a training class or lab must bear that expense separately from the funds deposited into this Joint Election account.
- l) The Elections Administrator will employ other personnel necessary for the proper administration of the election, including such part-time help as is necessary to prepare for the election, to ensure the timely delivery of supplies and equipment assistance during the period of Early Voting and on Election Day, and for the efficient tabulation of ballots at the central counting station and regional sites. Part-time personnel will be paid an amount specified in "Attachment A."

7) SUPPLIES AND PRINTING

- a) The Elections Administrator will obtain and distribute all of the election supplies and election printing necessary for this Joint Election, including, but not limited to, all forms, signs, and other materials used by the presiding election judges and clerks at the polling places.
- b) The Elections Administrator will provide maps, if necessary, instructions, and other information that the presiding election judges need to conduct this Joint Election.
- c) Each Participating Political Subdivision must deliver a list to the Elections Administrator of candidates and propositions for their elections. The list must be in English and Spanish. The list must include the ballot positions for the candidates and the propositions. The list must include the correct spelling of each candidate's name and the precise wording of all of the propositions. The Elections Administrator will email each Participating Political Subdivision a Microsoft Word format form for their use to create the required list. As soon as possible after each Participating Political Subdivision has determined its ballot positions for the candidates and propositions in its election, the Participating Political Subdivision must email the completed Microsoft Word format form to the Elections Administrator. The Elections Administrator will use these electronic forms received from the Participating Political Subdivisions to create the ballot styles for this Joint Election. The Elections Administrator will deliver the proposed ballots to the Participating Political Subdivisions for approval. Each Participating Political Subdivision will be responsible for proofreading the proposed ballots and notifying the Elections Administrator of any corrections that are required for their particular ballots. The Elections Administrator is responsible for implementing the corrections made by the Participating Political Subdivisions to their ballots and then producing the ballots for this Joint Election.

8) OPTICAL SCAN CARD BALLOTS

- a) The Elections Administrator will allocate ballots for this Joint Election by determining

the approximate voter turnout for comparable elections in each election precinct or partial election precinct and then adding 25% to that number for each election precinct or partial election precinct. However, the minimum ballot allocation for each election precinct or partial election precinct will range from 25-40% of the registered voters in each election precinct or partial election precinct depending on election type and authorized by the political subdivision (25-50% is recommended for local liquor elections).

- b) Additional ballots will be available for Early Voting by Mail and for use on Election Day to respond to any polling place that requests additional ballots and printed on an a needed basis. Cost per ballot will be forty-five cents (.45¢).

9) RETURNS OF ELECTIONS

- a) The Elections Administrator will establish and operate a central counting station to receive and tabulate ballots cast in this Joint Election under Chapter 127 of Title 8 of the Texas Election Code.
- b) The Participating Political Subdivisions hereby, in accordance with Sections 127.002, 127.003 and 127.005 of the Texas Election Code, appoint the following central counting station officials:

Alternate Presiding Judge: **City of Dallas Representative**

- c) The Central Count Station Manager or her representative will deliver timely, cumulative reports of the election results as election precincts are tabulated. The Elections Administrator will operate an election result center to release election results in the Health and Human Services Building, 2377 N. Stemmons Frwy., Suite 820, Dallas, Texas.
- d) The Elections Administrator will link any Participating Political Subdivision's website to DCED's website. Participating Political Subdivisions that want such website linkage should deliver their website address to the Tabulation Supervisor at DCED.
- e) The Elections Administrator will prepare the unofficial canvass report after all precincts

have been counted, and will email a copy of the unofficial canvass to each Participating Political Subdivision as soon as possible after all returns, provisional ballots, and late overseas ballots have been tabulated, but in no event no later than May 16, 2015. All Participating Political Subdivisions will be responsible for the official canvass of their respective elections.

- f) The Elections Administrator will be responsible for conducting the post-election manual recount, unless the Texas Secretary of State grants a waiver under Section 127.201 of the Texas Election Code. If no such waiver is given, the Elections Administrator will provide notice and copies of the recount to each Participating Political Subdivision and the Secretary of State's Office. Each Participating Political Subdivision must notify the Elections Administrator if such a waiver has been granted or denied as soon as possible, but no later than five (5) calendar days before Election Day.

10) ELECTION EXPENSES

- a) The Participating Political Subdivisions agree to share the costs of administering this Joint Election as specified in "Attachment A." The Election Administrator will charge a general supervisory fee not to exceed ten (10%) percent of the total cost of this Joint Election as authorized by Section 31.100 of the Texas Election Code. In no event will the ten (10%) percent general supervisory fee be refunded to any Participating Political Subdivision.
- b) Allocation of costs among the Participating Political Subdivisions will be according to a formula based on the average cost per polling place and the allocation of election day tabulators (hereinafter "M100's") in that polling place ("Unit Cost"). The Unit Cost will be determined by dividing the total of the itemized list of estimated election expenses by the total number of polling places. A "Polling Place" will be identified by and defined based on the presence and number of M100's and/or Election Supply Carts ("ESC"). Any Participating Political Subdivision that requests a different combination of precincts in polling places that exceeds the Unit Cost will be billed directly for any excess expenditures (e.g. supplies, equipment, personnel, etc.). **The cost of any special request from a Participating Political Subdivision, which is not agreed upon by all Participating Political Subdivisions, will be borne by the Participating Political Subdivision making the special request.** Each Participating Political Subdivision agrees that no Participating Political Subdivision will be billed less than the minimum of one full Unit Cost as specified in "Attachment A."
- c) The expenses for early voting by mail and personal appearance will be paid by each Participating Political Subdivision as set forth in "Attachment A."
- d) The Elections Administrator will determine the final election expenses within one hundred and eighty (180) business days after the final canvass of this Joint Election or the runoff election, if any. The Elections Administrator will provide each Participating Political Subdivision with a final, written accounting of all money that was deposited into, and payments that were made from, the Joint Election account(s) maintained by the Dallas County Treasurer for this Joint Election and the runoff election, if any.

- e) If the Elections Administrator requires additional money to perform its obligations under this Election Services Contract, then the Elections Administrator will bill each Participating Political Subdivision using the same method used to determine each Participating Political Subdivision's required deposit in "Attachment A" of this Election Services Contract ("Final Bill"). The Participating Political Subdivision shall pay the Final Bill within thirty (30) days of receipt except for any amount the Participating Political Subdivision files a timely good faith dispute under Section 17 of this Election Services Contract. After all of the expenses of this Joint Election are paid and disputes, if any, resolved, any monies that remain in the account maintained by the Dallas County Treasurer for this Election Services Contract will be refunded to the Participating Political Subdivisions (the "Refund") as soon as practicable.

11) DEPOSIT OF FUNDS

- a) Attachment A: Cost Audit details the cost and expenses anticipated for this election; Participating Political Subdivisions will initially receive an estimate cost audit. The Dallas County Treasurer's Office will place the money deposited by the Participating Political Subdivisions in a Joint Election account.
- b) The deposit of funds by each Participating Political Subdivision is an express condition precedent to the participation of each Participating Political Subdivision in this Election Services Contract. A Participating Political Subdivision may seek an extension from the Elections Administrator as to the due date for the deposit of funds. Such an extension must be sought in writing and prior to due date for such deposit by the Participating Political Subdivision. Any decision(s) made by the Elections Administrator will be provided in writing to the Participating Political Subdivision. The Elections Administrator, however, shall not be required to grant an extension for the deposit of funds by a Participating Political Subdivision. For any Participating Political Subdivision that fails to deposit the total amounts specified in "Attachment A" by the dates specified in this Election Services Contract or any extension granted by the Elections Administrator, the Elections Administrator will be relieved from the responsibility to perform under this Election Services Contract for such Participating Political Subdivision.
- c) The Elections Administrator will only draw money from this Joint Election account to pay for election expenses that are included in "Attachment A" to this Election Services Contract and for other expenses that the Participating Political Subdivisions agree to in writing.
- d) If a Participating Political Subdivision withdraws completely from this Joint Election by Friday, March 6, 2015, then the Elections Administrator will refund (as soon as practicable) that Participating Political Subdivision's deposit, less any money already expended before the withdrawal and less the general supervisory fee authorized by Section 31.100 of the Texas Election Code. In the event of a partial withdrawal from this

Joint Election, deposits will not be refunded to the Participating Political Subdivisions.

- e) The Elections Administrator will not make partial refunds to a Participating Political Subdivision if any candidate(s) or propositions will not appear on the ballot for that Participating Political Subdivision.
- f) Deposits should be made out to Dallas County Elections Department and delivered within the mandatory time frame to:

The entire amount of the Participating Political Subdivision's Final Bill shall be due immediately; or, any estimated refund amounts will become final.
- f) If the Participating Political Subdivision files a timely Dispute Notice in compliance with Section 17(d), the Participating Political Subdivision will have the right to conduct a good faith financial audit ("Financial Audit") for the deposits and expenditures related to this Elections Services Contract. In conducting the Financial Audit, the Participating Political Subdivision will have no greater right to demand access to or copies of the County's governmental or election records than those rights specified in the Texas Election Code

and the Texas Public Information Act. The cost of any Financial Audit conducted by the Participating Political Subdivision shall be borne by the requesting Participating Political Subdivision and may not be paid for with funds deposited with the Dallas County Treasurer under this Election Services Contract. Further, the Participating Political Subdivision conducting the Financial Audit shall pay the Elections Administrator the reasonable costs for time expended and copies provided in order to perform the Financial Audit. If the Financial Audit identifies overcharges by the Elections Administrator of more than ten percent (10%) of the initial deposit amount required by "Attachment A", the Elections Administrator will review and assess the findings of the Financial Audit and will negotiate, in good faith, to resolve any disputes for overcharges with the Participating Political Subdivision. The Elections Administrator shall not be bound by the findings or recommendations of the Participating Political Subdivision's Financial Audit. The financial records will be retained at the County Election Administrator's office until the conclusion of the Financial Audit and resolution of all outstanding audit disputes.

- g) In the event the representatives of the Participating Political Subdivision and the Elections Administrator cannot agree on the amount of the disputed Final Bill as set forth in this Section, then the Parties may agree to submit to non-binding mediation. If mediation is acceptable to both parties to resolve a dispute concerning the disputed Final Bill, the parties will agree to use a mutually agreed-upon mediator. Unless the parties come to a written agreement at mediation, the mediation will not constitute a final and binding resolution of the dispute.
- h) The Participating Political Subdivision acknowledges that the practical effect of the Participating Political Subdivision withholding undisputed funds that are required under this Election Services Contract would result in breach of this Elections Services Contract and the other Participating Political Subdivisions' taxpayers subsidizing the withholding Participating Political Subdivision's election expenses.

LANCASTER City Council

Agenda Communication

February 23, 2015

Item 6

Conduct a Public Hearing and consider an ordinance amending to the City of Lancaster's Comprehensive Plan, Master Thoroughfare Plan, to expand the recommended right-of-way to one hundred and thirty feet (130') along Pleasant Run Road from Lancaster Hutchins Road to the easternmost City limits.

This request supports the City Council 2014-2015 Policy Agenda.

Goal: Sound Infrastructure

Background

In 2012, the North Central Texas Council of Governments (NCTCOG) sponsored a study of the area included on the east side of the City of Lancaster (Inland Port) shared with the Cities of Dallas, Hutchins, Wilmer, and within Dallas County and addressed "key priorities" for the future development of the area. The City of Lancaster was identified as having an excess water supply and is currently partnering with the City of Wilmer and Dallas County to construct a 16" waterline to provide water to the City of Wilmer. AECOM was retained by Dallas County to design a roadway and additional infrastructure for the future development of this area.

Considerations

The purpose of this item is to propose an amendment to the Master Thoroughfare Plan in conjunction with the efforts of Dallas County and the City of Wilmer. Representatives from Dallas County Public Works and AECOM will be present and available to address any questions or concerns.

The Pleasant Run Road Improvement Project extends from Lancaster Hutchins Road in the City of Lancaster to Millers Ferry Road in the City of Wilmer. The recommended typical section is 130-ft ROW to accommodate a four lane road with provisions for future expansion to six lanes with dedicated left turn lanes; a 30-ft corridor in the ROW was reserved for a future utility corridor and hike & bike trail. This recommendation was made by reviewing the City of Lancaster and City of Wilmer Master Thoroughfare Plans and by considering already improved sections west of Lancaster Hutchins Road and the Millers Ferry overpass. As shown in the attached City of Lancaster Thoroughfare Plan Map (Exhibit 1), this section of Pleasant Run Road is designated as a Major Arterial Type B.

However the recommended section includes a 40' median as opposed to the City of Lancaster median of 28'. A 28' median does not provide space for left-turn lanes when expanded to six lanes. The engineer provided the attached technical memorandum to support the typical section recommendations.

Additionally, the posted and design speed limits for this section of Pleasant Run Road were discussed. The recommendation was made to adopt 40 mph for posted speed and 45 mph for design speed. This recommendation will be presented to Council as a separate item at a later date.

Dallas County is seeking concurrence from the City of Lancaster with respect to the recommended 130-ft typical section for Pleasant Run Road from Lancaster-Hutchins Road in the City of Lancaster to the City limits.

- **Operational** – The engineering division in conjunction with Dallas County Public Works and AECOM will work in partnership to design the roadway with all applicable infrastructures, if ultimately approved.
- **Legal** – Comprehensive plan amendments require review and recommendation from the Planning and Zoning Commission. The Master Thoroughfare Plan is a component of the Comprehensive Plan. The City Attorney has approved the ordinance as to form to amend the Comprehensive Plan's Master Thoroughfare Plan.
- **Financial** – There are no financial considerations for the approval of the amendment to the Master Thoroughfare Plan. The cost of design for Pleasant Run Road and future construction would be completed by Dallas County. The design and construction of the Wilmer water line is underway part and partial to this project through the most recent enactment of the Tax Increment Financing District (TIF). Should this project receive additional funding, the City would potentially be able to fund our share of costs through the TIF increments received. This would also be presented to Council as a separate item, at a later date.
- **Public Information** – This item requires a public hearing for the proposed amendment and it was posted in the City's newspaper of record.

Options/Alternatives

1. Approve the amendment to the Master Thoroughfare Plan, as presented.
2. Deny the proposed amendment and direct staff.

Recommendation

At the December 2, 2014 regular meeting of the Planning and Zoning Commission, the commission recommended approval of the proposed amendment to the City of Lancaster's Comprehensive Plan, Master Thoroughfare Plan, as presented.

Staff concurs with the P&Z.

Memorandum

To	Ray Banks, PE
CC	Rami Issa, PE, John Mears, PE
Subject	Pleasant Run Road Improvements – Roadway Section Options
From	Sam Barraco, PE
Date	June 27, 2014

Background

AECOM was retained by Dallas County to assist the County and other stakeholders to prepare concept plans for the improvements along Pleasant Run Road from Lancaster-Hutchins Road to Millers Ferry Road. The scope covers roadway, drainage, sanitary sewer and water improvements. The Concept Plans will include widening the roadway from an existing two-lane road to a multi-lane arterial concrete roadway with enclosed drainage. The proposed waterline along Pleasant Run Road will facilitate serving the City of Wilmer with water provided by the City of Lancaster. Sanitary sewer lines will be included to support the development in this area. This memorandum has been prepared to highlight various roadway section options, to provide a recommendation for the preferred option, and to achieve a consensus regarding the roadway section. Determination of the proposed roadway section for this project is a critical path for the project schedule and will allow AECOM to determine the required right-of-way and proceed with preliminary engineering for this project.

Existing Conditions/Information

Lancaster Thoroughfare Recommendations

The April 2006 City of Lancaster Master Thoroughfare Plan recommended improvements along Pleasant Run Road. This plan identified Pleasant Run Road as a **'Type B' major arterial** with the improved section consisting of a four-lane divided road with a 28-foot wide median to allow for a six-lane section in the future without room for designated turn lanes. This section will require a 100-foot wide Right-of-Way. Refer to Exhibit 1 for the Lancaster Master Thoroughfare Plan Map.

Figure 1: City of Lancaster Master Thoroughfare Plan 2006 Major Arterial Type B

Wilmer Community Plan Recommendations

The Thoroughfare Plan for the City of Wilmer, as presented in the Community Plan 2030 report adopted June 18, 2009 designated Pleasant Run Road as a **Minor Thoroughfare 'B'** from Wilmer's western city limits to about 1,500 feet west of Millers Ferry Road. This section consists of a four-lane road with a continuous two-way left turn lane. This section will require a 90 foot wide Right-of-Way. Refer to Exhibit 2 for the Wilmer Thoroughfare Plan Map.

The primary reason for Wilmer's Thoroughfare Plan recommendation of a four-lane road, in lieu of a four-lane road with provisions for additional lanes in the future, is that there was a proposed future six-lane divided major thoroughfare connecting to the existing Pleasant Run Road at the bridge, heading southwest and connecting to Beltline Road. This proposed thoroughfare would carry the larger volume of traffic, reducing the volume on Pleasant Run Road west of IH-45. This thoroughfare was proposed in 2007 by a developer and was included in the Thoroughfare Map in the City of Wilmer Community Plan 2030. However, this proposal was not incorporated into the 2012 Southern Dallas County Infrastructure Analysis by The North Central Texas Council of Governments recommendations and is no longer part of either city's future plans.

Figure 2: City of Wilmer Master Community Plan 2030 Minor Thoroughfare 'B'

Existing Pleasant Run Road (West of Lancaster-Hutchins Road)

Pleasant Run Road has been improved to the west of this project, beginning west of North Dallas Avenue. The road is improved according to the City of Lancaster Master Thoroughfare Plan from April 2006 showing the existing Pleasant Run Road west of Lancaster-Hutchins Road as a **Major Arterial Type A**. This section is a six-lane divided roadway with a median large enough for a designated left turn lane when necessary.

Figure 3: Existing Pleasant Run Road (West of Lancaster-Hutchins Road)

Pleasant Run Road Bridge (at Millers Ferry Road)

There is an ongoing TxDOT project for Pleasant Run Road at Millers Ferry Road. This project consists of a six-lane divided roadway with a bridge over Millers Ferry Road. The roadway will tie into the existing two-lane Pleasant Run Road on either side of the overpass. This typical section consists of a 130' ROW allowing for three travel lanes, a 5-foot bike lane, and a 16' parkway in each direction of the road. The median allows for a designated turn lane.

Figure 4: Pleasant Run Road Bridge (at Millers Ferry Road)

Evaluation of Roadway Section for Pleasant Run Road Improvements Project

The City of Lancaster master plan includes a section with four lanes and a 28-foot median. The advantage to this roadway section is that additional lanes can be added within the median to achieve six lanes in the future to match the existing roadway sections on either side of the project. However, the median is not wide enough to include turn lanes when the road is expanded.

The City of Wilmer master plan includes a section with four lanes and a continuous shared turn lane. However, the section does not allow for expansion to six lanes in the future to match the existing roadway sections on either side of the project. As mentioned above, it should be noted that the four lane road is recommended by the City of Wilmer master plan due to the proposed realignment of Pleasant Run Road and Beltline Road to become a major thoroughfare.

Considering that improvements of Pleasant Run Road on either end of this project consist of six lane roads with dedicated left turn lanes, and considering that the realignment of Pleasant Run Road and Beltline Road is no longer part of future plans, a four lane roadway section with provisions for two additional lanes with dedicated left turn lanes in the future appears to be the preferred option. See the proposed section displayed below in Figure 5. The ROW required for this typical section is 130 feet, which consists of a four-lane road, a 40 foot wide median, and parkways on either side. The wide median allows for expansion to six-lanes in the future with a dedicated left turn lane. The 30-foot corridor allows for a hike and bike trail and enough space for a utility corridor in the future.

Agenda Communication

December 2, 2014

Conduct a Public Hearing and Consider an amendment to the City of Lancaster Comprehensive Plan, Master Thoroughfare Plan, to expand the recommended right-of-way to One hundred and thirty feet (130') along Pleasant Run Road from Lancaster-Hutchins Road to the easternmost City limits.

This request supports the City Council 2014-2015 Policy Agenda.

The purpose of this item is to propose an amendment to the Master Thoroughfare Plan in conjunction with the efforts of Dallas County and the City of Wilmer.

Pleasant Run

The Pleasant Run Road Improvements Project extends from Lancaster-Hutchins Road in the City of Lancaster to Millers Ferry Road in the City of Wilmer. The recommended typical section is 130-ft ROW to accommodate a four lane road with provisions for future expansion to six lanes with dedicated left turn lanes, see attached "Recommended Typical Section.pdf". A 30-ft corridor in the ROW was reserved for future utility corridor and hike & bike trail. This recommendation was made by reviewing the City of Lancaster and City of Wilmer Thoroughfare Master Plans and by considering already improved sections west of Lancaster Hutchins Road and the Millers Ferry overpass. As shown in the attached City of Lancaster Thoroughfare Map "Exhibit 1 – Lancaster Thoroughfare March.pdf", this section of Pleasant Run Road is designated as a Major Arterial Type B.

However the recommended section includes a 40' median as opposed to the City of Lancaster median of 28'. A 28' median does not provide space for left-turn lanes when

expanded to six lanes. The engineer provided the attached technical memorandum to support the typical section recommendations. In addition, in our monthly project meeting on August 21, 2014 which was attended by the City of Lancaster engineering staff, the project team and stakeholders discussed the posted and design speed limits for this section of Pleasant Run Road. The recommendation was made to adopt **40 mph for posted speed** and **45 mph for design speed**.

Consultants are seeking concurrence from the City of Lancaster with respect to the recommended 130-ft typical section and posted/design speed for Pleasant Run Road from Lancaster-Hutchins Road in the City of Lancaster to Millers Ferry Road.

- **Operational** – The engineering division in conjunction with Dallas County Public Works and AECOM will work in partnership to design the roadway with all applicable infrastructure, if ultimately approved.
- **Legal** – LDC amendments require review and recommendation from the Planning and Zoning Commission. If recommendation of approval is received, the City attorney will draft an ordinance for consideration and approval by the City Council.
- **Financial** – There are no financial considerations for the recommendation of approval for the amendment to the Master Thoroughfare Plan.
- **Public Information** – This item requires a public hearing for the proposed amendment and it was posted in the City's newspaper of record.

Options/Alternatives

1. Make a recommendation to approve the amendment to the Master Thoroughfare Plan, as presented.
2. Make a recommendation to deny the proposed request and direct staff.

Recommendation

Staff recommends **approval** of the proposed amendment to the Master Thoroughfare Plan, as presented.

The City of Wilmer master plan includes a section with four lanes and a continuous shared turn lane. However, the section does not allow for expansion to six lanes in the future to match the existing roadway sections on either side of the project. As mentioned above, it should be noted that the four lane road is recommended by the City of Wilmer master plan due to the proposed realignment of Pleasant Run Road and Beltline Road to become a major thoroughfare.

Considering that improvements of Pleasant Run Road on either end of this project consist of six lane roads with dedicated left turn lanes, and considering that the realignment of Pleasant Run Road and Beltline Road is no longer part of future plans, a four lane roadway section with provisions for two additional lanes with dedicated left turn lanes in the future appears to be the preferred option. See the proposed section displayed below in Figure 5. The ROW required for this typical section is 130 feet, which consists of a four-lane road, a 40 foot wide median, and parkways on either side. The wide median allows for expansion to six-lanes in the future with a dedicated left turn lane. The 30-foot corridor allows for a hike and bike trail and enough space for a utility corridor in the future.

ITEM 4.

Conduct a Public Hearing and consider an amendment to the City of Lancaster Comprehensive Plan, Master Thoroughfare Plan, to expand the recommended right-of-way to One hundred and thirty feet (130') along Pleasant Run Road from Lancaster-Hutchins to the easternmost City limits.

Assistant City Manager Rona Stringfellow gave the staff report.

Gina Garcia, City Engineer gave staff comments.

Ray Banks, Dallas County Public Works, Project Manager gave background on the impetus of the project and the need for concurrence from the City of Lancaster. Mr. Banks stated that the roadway design will accommodate Texas Department of Transportation (TXDOT) standards and meet eligibility requirements for funding. This project will expand roadway design as a result of the City of Lancaster providing excess water capacity to the City of Wilmer. Included in the design are the roadway, medians, turn lanes, water line, sewer line, and storm water design for the construction of Pleasant Run from Lancaster-Hutchins to the City of Lancaster's easternmost corporate limits.

Rami Issa, AECOM, Design Engineer employed by Dallas County for the project. Mr. Issa stated that there is a unique opportunity to expedite the project due to a large entity that is willing to convey right-of-way for this project.

Commissioner Earle asked about the Hike and Bike Trail and who the hike and bike trail would be constructed by.

ACM Stringfellow explained that the hike and bike trail evolved out of the South Dallas Infrastructure Analysis (SDCIA) overseen by the North Central Texas Council of Governments (NCTCOG) and the background related to the regional inclusion and connectivity of hike and bike trails in the study area.

City Engineer Gina Garcia stated because this project has regional toll revenue (RTR) funds associated with it, it has to incorporate context sensitive solutions that would include a hike and bike trail system.

Vice Chair Gregory asked about annexation of property related to this agreement.

ACM Stringfellow stated that the Cities of Wilmer, Hutchins and Lancaster, in collaboration with Dallas County signed a boundary agreement in 2004 time frame defining the ultimate corporate limits of all three cities.

Commissioner Barnett asked about the rights to sell water to the City of Wilmer.

City Attorney Doshier stated that the question would be outside of the agenda discussion.

Chair Prothro asked if there was further discussion by the Planning and Zoning Commission with staff. There being none.

Chair Prothro opened the public hearing and asked if anyone would like to speak in favor of the item. Being none, he asked if anyone in the audience would like to speak in opposition of the item. Being none, he asked to entertain a motion to close the public hearing.

A MOTION WAS MADE BY COMMISSIONER EARLE SECONDED BY COMMISSIONER BARNETT TO CLOSE THE PUBLIC HEARING.
