Cleo Hearn Equestrian Trail

Lancaster, TX – In commemoration of Black History Month the City of Lancaster, Parks and Recreation Department cordially invite you to attend the dedication ceremony of the Cleo Hearn Equestrian Trail at Bear Creek Nature Park on Friday, February 28, 2014 at 2:00 p.m. Bear Creek Nature Park is located at 1000 Bear Creek Road. In addition to the dedication ceremony, a reception will follow at the Lancaster Recreation Center, Grand Hall Ball Room, located at 1700 Veterans Memorial Parkway.

Cleo Hearn, a longtime resident of Lancaster, is the founding member of the Cowboys of Color Rodeo. Hearn designed this rodeo to “educate while it entertains,” and highlights diverse cultural contributions. The Cowboys of Color Rodeo is also a training ground for the Professional Rodeo Cowboy Association (PRCA) and features over 200 culturally diverse cowboys and cowgirls of all colors competing for cash prizes. Historical facts and cultural entertainment are provided between the rodeo events to educate the audience about history they may have never heard. Cowboys of Color Rodeos bring diverse cultures (contestants and audience) together to celebrate the collective American Western heritage.

For the profound accomplishments Hearn has made through the Cowboys of Color Rodeo, the Lancaster City Council voted unanimously to name the equestrian trail at Bear Creek Nature Park, Cleo Hearn Equestrian Trail in his honor.

The City of Lancaster invites you to “like” the City on [Facebook](#), follow us on [Twitter](#) or register for weekly e-mail alerts regarding upcoming events on our website at www.lancaster-tx.com by clicking on “Notify Me”.
