## **Oncor Electric Brings Earth Day to Bear Creek Nature Park**

**\*\*\* REVISED \*\*\***

**Lancaster, TX** – Bear Creek Nature Park was developed in 2006 and Oncor Electric Delivery volunteers were the first group to help prepare the park for opening. On Saturday, April 25, 2015 Oncor volunteers will be back again to amplify the beauty of Bear Creek Nature Park. Oncor volunteers will be planting flowers, weather proofing the benches and bridge, and spreading mulch on the walking trails.

Bear Creek Nature Park is conveniently located at 1000 Bear Creek Road in Lancaster. Providing a sense of seclusion away from the busyness of life, with conveniences on being close to home, Bear Creek Nature Park is a perfect place to walk through nature trails; horseback ride down the Cleo Hearn Equestrian Trail; enjoy time by the pond catching fish, and relax in the butterfly garden. There are numerous programs and activities happening throughout the year for the entire family. For more information or to reserve an area in Bear Creek Nature Park for your event, contact the City of Lancaster's Quality of Life and Cultural Services Department at (972) 218-3700.
