Municipal Court Week

Lancaster, TX – In recognition of the important service the City’s municipal court judges, court clerks, court administrators, prosecutors, marshals, bailiffs, and warrant officers provide to the community, The Texas House has passed Resolution 1142 declaring November 2nd – 6th Municipal Court Week. Municipal Courts across the Lone Star State celebrate Municipal Court Week in various ways from traffic safety to staff appreciation luncheons.

Municipal Court Week is a great time to not only recognize how much municipal courts do, but to note the role that local courts and their personnel play in the criminal justice system and the larger community. The Lancaster Municipal Court processes over 8,000 cases annually and employs 4 full time employees who process Class C Misdemeanors and guide the operations of the Court in compliance with all state and federal laws. This task involves many hours of advanced training and a high level of expertise in positive customer service.
