Lancaster Communities Celebrate National Night Out

Lancaster, TX – Last night communities in the City of Lancaster took a stand against crime by participating in National Night Out. People came together to show their neighborhood spirit and strengthen police and community partnerships. This year the City of Lancaster teamed up with Lancaster Independent School District to attend the National Night Out events in each neighborhood.

Participating in National Night Out gave Lancaster citizens an opportunity to meet their Mayor Marcus E. Knight, elected City Council members, Lancaster Fire Department, Lancaster Police Department and City Administration. LISD Superintendent Dr. Michael McFarland and school board trustees also showed their support and participated in the National Night Out festivities.

Special thanks to all participating National Night Out communities: Rolling Hills Place Apartments, Anderson Farms, Pleasant Run Estates, Beltline Ashmoore, Hearthstone, and Westwood V Neighborhood Associations.

This annual event has proven to be an effective and enjoyable program to promote police to community partnerships in our fight for a safer nation. Together we continued to send a strong message that the City of Lancaster is a safe and vibrant place to live!
