Lancaster Celebrates National Night Out

Lancaster, TX – The City of Lancaster took a stand against crime last night, to strengthen the spirit of the neighborhood and police-community partnership by participating in National Night Out.

The Mayor, City Council, City Administration, Police and Fire Departments along with school district administration visited with the Westwood V, Rolling Meadows, Pleasant Run Estates and Rosemont Apartment communities to celebrate National Night Out. Mayor Marcus Knight thanked each neighbourhood for their commitment to the community and participation in the National Night Out Celebration. National Night Out is America's night out against crime, designed to send a message out to criminals letting them know that neighborhoods are organized and fighting back and is sponsored annually by the National Town Watch Association to promote crime prevention throughout the country.

This annual event provides an opportunity to promote police/community partnerships and provide for a safer neighborhood. Together WE send a strong message that the City of Lancaster is a safe and vibrant place to live!

The City of Lancaster invites you to “like” the City on [Facebook](#), follow us on [Twitter](#), or register for weekly e-mail alerts regarding upcoming events on our website at www.lancaster-tx.com by clicking on “Want Info Click Here”.
