Summer Pet Safety

Lancaster, TX – Summer brings about hotter temperatures, outdoor fun and family trips – but for pets, it could also bring about safety hazards unbeknownst to pet parents. This summer, The City of Lancaster Animal Shelter is partnering with Petfinder in a Summer Pet Safety campaign to ensure all pet parents are equipped with the proper information to keep their furry friends cool, happy and safe throughout the summer.

The Pet Safety campaign includes weekly social media posts highlighting proper pet safety protocol specific to popular summer activities. Some of the featured topics will include:

- What to Do If You See a Dog In a Hot Car
- Tips to Keep Your Dog Safe on a Boat, or While Camping and Hiking
- Preventing Heatstroke
- Common Backyard BBQ Dangers for Dogs

Lancaster Animal Shelter will be sharing these tips for keeping pets safe all summer. Make sure to follow the City of Lancaster on Twitter @Lancaster_TX to get possibly life-saving summer safety tips, advice for having fun with your pets this summer and more.
