70' x 70' Units for Lease

Airport Master Plan

- **No traffic driving** – a straight 14 miles south of downtown on I-45 (at right).
- **Closest hangar to the new terminal and restaurant** – estimated open in 2015.
- **Quiet secluded corner of the airport** – view of bucolic field across the street.
- **Large hangar doors** – center unit 70' wide x 21' high, side units 60' 9" x 17'.
- **Large roll-up back doors provide cross-ventilation** – and drive-in access.
- **Like-new, professional hangar** – with 4"-thick insulation on outside walls.
- **6,502-foot runway, and no-delay departures** – little airport traffic ever.
- **FBO staffed 7 a.m. to 6 p.m. 7 days a week.**
- **Save on fuel** – Lowest prices in the DFW area.
- **Save on rent** – **\$1,200 per month.**
