# CITY OF LANCASTER FEE SCHEDULE

## **Sec. 3.200 When Fees Doubled**

Where work for which a permit is required is started or preceded prior to obtaining said permit, the fees above shall be doubled. The payment of a double fee shall not relieve any persons from fully complying with the regulations prescribed in this article in the execution of the work or from any other penalties prescribed herein.

## **Sec. 3.300 Second Inspections**

Where work for which a permit is required and has been issued is inspected by the Inspection Department's Inspector and failed for noncompliance with city codes, and a second inspection is required, an additional fee of fifty dollars (\$50.00) shall be charged for re-inspection and will increase by \$25.00 for each subsequent re-inspection.

## **Sec. 3.400 Public Schools Exempt from Fee Requirements**

Any public school within the City of Lancaster shall be exempt from payment of the fees provided by this article, provided that such public schools shall not be excused from the necessary permit approval process enumerated in this code or in any other code or ordinance of the City of Lancaster.  
(Ordinance 13-00 adopted 4/24/00)

## **Sec. 3.500 Excavation Fees**

Permit Fees. Permit fees shall be fifty dollars (\$50.00) minimum with a maximum of 2.5% of the construction contract cost. Such fee if paid by check, money order, bank draft or other negotiable instrument, shall be made payable to the city treasurer. If paid by cash, such cash shall be remitted daily to the city treasurer, who shall deposit it to the credit of the general fund. Construction bond for work in a city right-of-way shall be \$10,000.00 bond amount; \$2,000.00 bond amount where work not to exceed \$2,000.00 in value for any one permit that may be acquired for that work within the right-of-way.

(Ordinance 38-99 adopted 11/8/99)

## **Sec. 3.600 Backflow Prevention Assembly Testers Fees**

An annual registration fee of one hundred dollars (\$100.00) shall be paid by each contractor or business for the first certified tester/employee prior to any work commencing with the city. Each additional employee (who is a certified tester) working for a contractor that is registered in the city shall pay an additional fifty dollars (\$50.00) registration fee per tester.

(Ordinance 29-00 adopted 7/24/00)

## **ARTICLE 4.000 BUSINESS RELATED FEES**

### **Sec. 4.100 Peddlers, Solicitors and Itinerant Vendors**

(a) Investigation Fee: Each and every person seeking a permit under the provisions of the Lancaster Code of Ordinances, Chapter 4, Article 4.100 "Peddlers, Solicitors and Itinerant Vendors" shall pay a fee of twenty-five dollar (\$25.00) per year for investigation of such application. Such fee shall be prorated, shall be paid in case at the time such application is made and shall not be returned to the applicant regardless of whether or not such permit is issued or denied. Persons representing firms or corporations shall be required to obtain separate permits, but shall pay only a single investigation fee. Persons involved in interstate commerce shall be exempt from payment of the investigation fee, but shall be required to obtain a permit and otherwise fully comply with all provisions of Chapter 4, Article 4.100.

## CITY OF LANCASTER FEE SCHEDULE

- (b) Investigation Fee: Each and every person seeking a permit under the provisions of the Lancaster Code of Ordinances, Chapter 4, Article 4.100 "Peddlers, Solicitors and Itinerant Vendors" shall pay a fee of twenty-five dollar (\$25.00) per year for investigation of such application. Such fee shall be prorated, shall be paid in case at the time such application is made and shall not be returned to the applicant regardless of whether or not such permit is issued or denied. Persons representing firms or corporations shall be required to obtain separate permits, but shall pay only a single investigation fee. Persons involved in interstate commerce shall be exempt from payment of the investigation fee, but shall be required to obtain a permit and otherwise fully comply with all provisions of Chapter 4, Article 4.100.
- (c) The permit fee for itinerant vendors on private property is twenty dollars (\$20.00). The City will not require payment of this permit fee by locally-based charitable organizations or organizations engaged in activities such as bake sales or car washes. The permit is issued for a minimum of five (5) days, but not to exceed forty-five (45) days. Each eligible property may only allow use of the property for a temporary business for a maximum of forty-five (45) days per calendar year in accordance with Chapter 4, Article 4.100, Section 4.114.
- (b) Replacement Permits: Should a permittee lose the permit or otherwise need to obtain a replacement permit from the city, the cost of such replacement permit shall be fifteen dollars (\$15.00).

(Ordinance 2008-06-24; adopted June 23, 2008)

### **Sec. 4.200 Coin-Operated Machine Fees**

- (a) Every owner or operator who owns, controls, possesses, exhibits, displays or permits to be exhibited or displayed in this city any coin-operated machine shall pay and there is hereby levied on each coin-operated machine an annual occupation tax in the amount of twenty-five dollars (\$25.00).

(Ordinance 2002-10-38 adopted 10/14/02)

### **Sec. 4.300 Reserved for Future Use**

### **Sec. 4.400 Food Service Establishments**

The City of Lancaster shall issue a food service permit to the applicant if its inspection reveals that the proposed food service establishment complies with the requirements of Texas Health and Safety Code Chapters 437, Food and Drug Health Regulations, and 121, Local Regulation of Public Health. The permit shall be issued upon payment of a two hundred ten-dollars (\$210.00) annual inspection fee (includes two (2) inspections) set by the Dallas County Department of Health and Human Services plus an administrative fee of fifty dollars (\$50.00), which shall be due and payable on or before October 1 of each year. Such permit shall expire on September 30 of the succeeding year. | (2) Dallas County Assisted Fire Run | \$420.00 per fire run      |

## **ARTICLE 6.000 ABATEMENT OF PROPERTY MAINTENANCE NUISANCE**

The expenses incurred for abatement of the nuisance may be assessed against the real estate on which the work is done or improvements made. To obtain a lien against the property, the mayor, municipal health authority or code enforcement officer must file a statement of expenses with the county clerk of Dallas County, including the name of the property owner, if known, and the legal description of the property. The actual cost of abatement shall include an administrative fee of one hundred fifty dollars (\$150.00). In the event there are obstructions such as trees, shrubs, bushes, excavations, foundations, demolished structures or any similar obstructions, an additional charge shall be levied, assessed and collected against such premises. The lien obtained is security for the expenses and interest accrued thereon at the rate of ten percent (10%) annually on the total amount from the date of payment by the city. The lien is inferior only to tax liens and liens for street improvements. The city may bring a suit for foreclosure of the lien to recover the expenses and interest due. The state of expenses or certified copy of the statement is prima facie proof of the expenses incurred by the city in doing the work or making the improvements. This remedy is cumulative of the fine authorized for violation hereof by Section 1.109 of the code of ordinances.

(Ordinance 13-00 adopted 4/24/00)

## **ARTICLE 7.000 LIQUID WASTE TRANSPORT PERMIT**

The city shall not issue a permit to an applicant until the appropriate fee is paid. Initially, a person shall pay a fee of one hundred dollars (\$100.00) for the first vehicle and fifty dollars (\$50.00) for each additional vehicle operated by the person. Each permit must be renewed annually at a rate of seventy-five dollars (\$75.00) for the first vehicle and fifty dollars (\$50.00) for each additional vehicle.

(Reference Tables 1, 2, 3 and 11 of Ordinance)  
(Ordinance 2004-09-27 adopted 9/27/04)  
(Ordinance 2012-08-25 adopted 8/27/12)  
(Ordinance 2021-07-27 adopted 7/12/21)

Water Impact Fees are imposed upon any new development (which includes expansion of existing facilities) to generate revenue for funding or recouping the costs of capital improvements or facility expansions to these systems necessitated by or attributable to the new developments' demand on these systems. The Water Impact Fees are calculated using Service Units, which are a standardized measure of consumption, use, generation or discharge attributable to an individual living unit equivalent (LUE) of development calculated in accordance with generally accepted engineering or planning standards for water systems' capital improvements or facility expansion. The total impact fee due is based on the meter size(s) used by the development. The meter size is determined by the City of Lancaster within the meter manufacturers optimum flow range based on flows required by the development.
