LANCASTER EMPLOYEES ENCOURAGED TO PARTICIPATE IN LITTER CAMPAIGN

Lancaster, TX – The City of Lancaster is among the nearly 300 community affiliates of the Keep Texas Beautiful initiative and statewide litter campaign. Keep Texas Beautiful is a non-profit organization committed to making Texas communities better places to live, work and play. In November, the City of Lancaster will be releasing a litter campaign, “Litter is Bitter. Do your part to keep Lancaster Superior!” aimed at getting the community involved and help keeping the city clean.

The City of Lancaster’s executive management team dedicates a portion of their Fridays to picking up trash and litter in select areas of the city. This is part of an internal employee competition geared towards encouraging employees to participate and play a part in cleaning up the city. By going beyond and picking up litter around the city they serve, this initiative helps to gather the support and participation of those whose willingness to serve may be ignited by seeing others in the act. On Saturdays, a group of residents have consistently committed to cleaning up trash and litter along some of the most populous roadways in the city.

Throughout the year, Lancaster hosts quarterly trash-off events for residents in support of “Keep Lancaster Beautiful.” During these events, residents can clean their home, garage, and yard of bulk trash, recyclables, scrap metal, brush, etc. at no additional cost. Trash off is also a wonderful opportunity for individuals, groups, and organizations to volunteer to clean up trash in select areas of Lancaster.

The City of Lancaster also has an Adopt-A-Spot program that is a joint effort between the city and residents to keep right-of-way’s and neighborhoods clean and beautiful. Among the groups currently participating in the program is the Zeta Phi Beta sorority who adopted Kids Square Park and the Hail family who most recently adopted Blue Grove Rd. The Hails and their team comprised of volunteers are a notable group who consistently commit a portion of their Saturdays to keeping the roadways clean in Lancaster.

Residents are encouraged to join along and participate in the upcoming Trash Off and City-wide Cleanup event taking place on Saturday, November 13, 2021. The event will take place at 1501 N. Dallas Ave, Lancaster, TX 75146, between the hours of 8:00 A.M. and 2:00 P.M. For additional information on how to get involved, you can call 972-218-1300.
