## 2021 Lancaster Trash Off & Hazardous Waste Collection

**Lancaster, TX** – The City of Lancaster is committed to continue being clean and green, while providing a healthy, safe and vibrant community for its citizens. In support of “Keep Lancaster Beautiful” and the Great American Clean-up efforts, the City of Lancaster welcomes residents to participate in its upcoming Trash Off on **Saturday, November 13, 2021 from 8:00 a.m. to 2:00 p.m. at 1501 N. Dallas Avenue** (next to Regions Bank).

The Trash Off is a great opportunity for Lancaster residents to clean their home, garage, and yard of bulk trash, recyclables, scrap metal, brush, and electronic waste (i.e. computers, kitchen appliances, televisions, etc.) **at no additional cost**. Additionally, the City of Lancaster in partnership with CWD is offering FREE hazardous waste collection to residents. Residents will also have the opportunity to shred documents and drop off prescription medicine.

Residents disposing of appliances must have refrigerant removed and tagged by a certified technician. This program is open to **Lancaster residents only** with proof of residency. For more information on how to participate in the Trash Off event, please call (972) 218-1300 or visit [www.lancaster-tx.com/TrashOff](http://www.lancaster-tx.com/TrashOff).

In an effort to increase community involvement in keeping the city clean, the City of Lancaster launched its litter campaign, “Litter is Bitter. Do your part to keep Lancaster Superior!” One of the many ways residents can do their part in helping keep the city clean, is through the Adopt-A-Spot program. The Adopt-A-Spot program is a joint effort between our city government and residents to keep right-of-ways and neighborhoods clean and beautiful. More information can be found by visiting <http://www.lancaster-tx.com/386/Adopt-A-Spot>.
