### **Sec. 3.200            When Fees Doubled**

Where work for which a permit is required is started or preceded prior to obtaining said permit, the fees above shall be doubled. The payment of a double fee shall not relieve any persons from fully complying with the regulations prescribed in this article in the execution of the work or from any other penalties prescribed herein.

### **Sec. 3.300            Second Inspections**

Where work for which a permit is required and has been issued is inspected by the Inspection Department's Inspector and failed for noncompliance with city codes, and a second inspection is required, an additional fee of fifty dollars (\$50.00) shall be charged for re-inspection and will increase by \$25.00 for each subsequent re-inspection.

### **Sec. 3.400            Public Schools Exempt From Fee Requirements**

Any public school within the City of Lancaster shall be exempt from payment of the fees provided by this article, provided that such public schools shall not be excused from the necessary permit approval process enumerated in this code or in any other code or ordinance of the City of Lancaster. (Ordinance 13-00 adopted 4/24/00)

### **Sec. 3.500            Excavation Fees**

Permit Fees. Permit fees shall be fifty dollars (\$50.00) minimum with a maximum of 2.5% of the construction contract cost. Such fee if paid by check, money order, bank draft or other negotiable instrument, shall be made payable to the city treasurer. If paid by cash, such cash shall be remitted daily to the city treasurer, who shall deposit it to the credit of the general fund. Construction bond for work in a city right-of-way shall be \$10,000.00 bond amount; \$2,000.00 bond amount where work not to exceed \$2,000.00 in value for any one permit that may be acquired for that work within the right-of-way.

(Ordinance 38-99 adopted 11/8/99)

## CITY OF LANCASTER FEE SCHEDULE

### **Sec. 3.600 Backflow Prevention Assembly Testers Fees**

An annual registration fee of one hundred dollars (\$100.00) shall be paid by each contractor or business for the first certified tester/employee prior to any work commencing with the city. Such fee shall be prorated, shall be paid in case at the time such application is made and shall not be returned to the applicant regardless of whether or not such permit is issued or denied. Persons representing firms or corporations shall be required to obtain separate permits, but shall pay only a single investigation fee. Persons involved in interstate commerce shall be exempt from payment of the investigation fee, but shall be required to obtain a permit and otherwise fully comply with all provisions of Chapter 4, Article 4.100.

(b) The permit fee for itinerant vendors on private property is twenty dollars (\$20.00). The City will not require payment of this permit fee by locally-based charitable organizations or organizations engaged in activities such as bake sales or car washes. The permit is issued for a minimum of five (5) days, but not to exceed forty-five (45) days. Each eligible property may only allow use of the property for a temporary business for a maximum of forty-five (45) days per calendar year in accordance with Chapter 4, Article 4.100, Section 4.114.

(c) Replacement Permits: Should a permittee lose the permit or otherwise need to obtain a replacement permit from the city, the cost of such replacement permit shall be fifteen dollars (\$15.00). (Ordinance 2008-06-24; adopted June 23, 2008)

### **Sec. 4.200 Coin-Operated Machine Fees**

(a) Every owner or operator who owns, controls, possesses, exhibits, displays or permits to be exhibited or displayed in this city any coin-operated machine shall pay and there is hereby levied on each coin-operated machine an annual occupation tax in the amount of twenty-five dollars (\$25.00). ### **ARTICLE 6.000 ABATEMENT OF PROPERTY MAINTENANCE NUISANCE**

The expenses incurred for abatement of the nuisance may be assessed against the real estate on which the work is done or improvements made. To obtain a lien against the property, the mayor, municipal health authority or code enforcement officer must file a statement of expenses with the county clerk of Dallas County, including the name of the property owner, if known, and the legal description of the property. The actual cost of abatement shall include an administrative fee of one hundred fifty dollars (\$150.00). In the event there are obstructions such as trees, shrubs, bushes, excavations, foundations, demolished structures or any similar obstructions, an additional charge shall be levied, assessed and collected against such premises. The lien obtained is security for the expenses and interest accrued thereon at the rate of ten percent (10%) annually on the total amount from the date of payment by the city. The lien is inferior only to tax liens and liens for street improvements. The city may bring a suit for foreclosure of the lien to recover the expenses and interest due. The state of expenses or certified copy of the statement is prima facie proof of the expenses incurred by the city in doing the work or making the improvements. This remedy is cumulative of the fine authorized for violation hereof by Section 1.109 of the code of ordinances.  
(Ordinance 13-00 adopted 4/24/00)

### **ARTICLE 7.000 LIQUID WASTE TRANSPORT PERMIT**

The city shall not issue a permit to an applicant until the appropriate fee is paid. Initially, a person shall pay a fee of one hundred dollars (\$100.00) for the first vehicle and fifty dollars (\$50.00) for each additional vehicle operated by the person. Each permit must be renewed annually at a rate of seventy-five dollars (\$75.00) for the first vehicle and fifty dollars (\$50.00) for each additional vehicle. (Ordinance 13-00 adopted 4/24/00)

### Sec. 10.700 Water Rates - Within City

The following schedule of water charges for residential, commercial, industrial, and multi-family complex customers shall be effective upon annual adoption.

Minimum monthly water charge (no gallons) for residential, commercial, and industrial customers:

<b>Meter Size:</b>	<b>Equivalent Units</b>	<b>Minimum Monthly Meter Charge:</b>
5/8 or 3/4 inch water	1	\$20.90
1-inch water meter	2.5	\$52.26
1 ½ - inch water meter	5	\$104.52
2-inch water meter	8	\$167.23
3-inch water meter	16	\$334.45
4-inch water meter	25	\$522.58
6-inch water meter	50	\$1,045.17
8-inch water meter	80	\$1,672.26
10-inch water meter	125	\$2,450.00

(1) Multi-family complexes shall be charged a minimum monthly water charge equal to the greater of

- (a) the minimum bill for 5/8 inch meter, multiplied by the number of units, or
- (b) the minimum monthly meter charge for the size meter(s) serving the account.

## CITY OF LANCASTER FEE SCHEDULE

(2) A variable rate volume charge of two dollars and sixty-seven (\$2.67) shall be charged per each one thousand (1,000) gallons usage. No gallons are included with the monthly minimum charge.

(3) Example of the calculation of a multi-family complex monthly water bill: Two hundred apartment units with an 8" meter and 600,000 gallons of usage.

Min. charge for 8 inch meter	\$1,672.26	
200 units @ \$20.90 each	\$0.00	\$4,180.00

3-inch	\$384.62
4-inch	\$600.97
6-inch	\$1,201.94
8-inch	\$1,923.10
10-inch	\$2,450.00

(1) Multi-family complexes shall be charged a minimum monthly water charge equal to the greater of

(a) the minimum bill for a 5/8 inch meter, multiplied by the number of units, or

(b) the minimum monthly meter charge for the size meter(s) serving the account.

(2) A variable rate volume charge of two dollars and sixty-seven (\$2.67) shall be charged per each one thousand (1,000) gallons usage. No gallons are included with the monthly minimum charge.

(3) Example of the calculation of a multi-family complex monthly water bill: Two hundred apartment units with an 8" meter and 600,000 gallons of usage.

Min. charge for 8 inch meter	\$1,923.10	
200 units @ \$24.04 each	\$0.00	\$4,808.00
600,000 gallons @ \$3.07 / 1000	\$1,842.00	\$1,842.00
	\$3,765.00	\$6,650.00

Therefore \$6,650.00 would be billed. ( $\$6,650.00 / 200 = \$33.25$ )

The following schedule of charges for residential, commercial, industrial and multi-family complex customers shall be effective upon annual adoption:

- (1) Minimum monthly sewer charge (no gallons of usage) for residential, commercial, and industrial is fifteen dollars and four cents (\$15.04) per connection.
- (2) Minimum monthly sewer charge for each dwelling unit of a multi-family complex (no gallons) is seven dollars and seventy-three cents (\$7.73) per unit.
- (3) Minimum monthly sewer charge for each dwelling unit of a multi-family complex outside of the city limits (no gallons) is eight dollars and eighty-nine cents (\$8.89) per unit.
- (4) Variable rate per one thousand (1,000) gallons of water usage for residential, commercial, industrial, and multi-family complexes is seven dollars and seventy-three cents (\$7.73).
- (5) The total monthly amount due for "all" sewer accounts shall be the sum of the minimum monthly sewer charge plus the variable rate times the user's water usage for the month. The maximum monthly "residential customer" volume charges shall be based on the average of the three lowest monthly bills in the last twelve. Normally these will be the reading cycles ending in January, February, and March. However, the utility billing department may adjust this forwards or backwards one month.

Industrial and commercial users that install a separate sewer metering system shall be charged for volume according to that meter, plus the minimum rate.

- (6) The practice of discounting the computed sewer usage to 95% and 90% as detailed in the Lancaster Code of Ordinances Section 11.608(b) and 11.609(b); was discontinued in 2008.
- (7) A discount for senior citizens (age 62 or over) of \$2.06 per month shall be applied to each qualified residential account.

(Resolution 2015-09-75 adopted 9/14/15, effective October 1, 2015) (Resolution 2018-09-71 adopted 9/10/18, effective October 1, 2018)

## CITY OF LANCASTER FEE SCHEDULE

### **Sec.10.1100 Water Impact Fee**

(Reference Tables 1, 2, 3 and 11 of Ordinance)

(Ordinance 2004-09-27 adopted 9/27/04)

(Ordinance 2012-08-25 adopted 8/27/12)

Water Impact Fees are imposed upon any new development (which includes expansion of existing facilities) to generate revenue for funding or recouping the costs of capital improvements or facility expansions to these systems necessitated by or attributable to the new developments' demand on these systems. The Water Impact Fees are calculated using Service Units, which are a standardized measure of consumption, use, generation or discharge attributable to an individual living unit equivalent (LUE) of development calculated in accordance with generally accepted engineering or planning standards for water systems' capital improvements or facility expansion. The total impact fee due is based on the meter size(s) used by the development. The meter size is determined by the City of Lancaster within the meter manufacturers optimum flow range based on flows required by the development.

### **Sec. 10.1200 Sewer Impact Fee**

(Reference Table 3.5 of Ordinance)

(Ordinance 2006-07-22 adopted 7/10/06)

(Ordinance 2012-08-25 adopted 8/27/12)

Sewer (Wastewater) Impact Fees are imposed upon any new development (which includes expansion of existing facilities) to generate revenue for funding or recouping the costs of capital improvements or facility expansions to these systems necessitated by or attributable to the new developments' demand on these systems. The Sewer Impact Fees are calculated using Service Units, which are a standardized measure of consumption, use, generation or discharge attributable to an individual living unit equivalent (LUE) of development calculated in accordance with generally accepted engineering or planning standards for sewer systems' capital improvements or facility expansion. The total impact fee due is based on the meter size(s) used by the development. The meter size is determined by the City of Lancaster within the meter manufacturers optimum flow range based on flows required by the development.

### **Sec. 10.1300 Roadway Impact Fee**

(Reference Exhibit B of Ordinance)

(Ordinance 2003-12-42 adopted 12/8/03)

(Ordinance 2012-08-25 adopted 8/27/12)

Roadway Impact Fees are imposed upon any new development (which includes expansion of existing facilities) to generate revenue for funding or recouping the costs of capital improvements or facility expansions to these systems necessitated by or attributable to the new developments' demand on these systems. The Roadway Impact Fees are calculated using Service Units, which are a standardized measure of consumption or use (supply and demand) of the roads in the city by new development and are calculated in accordance with generally accepted engineering or planning standards for Roadway Systems' capital improvements or facility expansion. The total impact fee due is determined by the land use, the location of the development, and the square footage of the building.
